

PROGRAMME

2021 – 2027

COMPETITIVENESS

Co-funded by
the European Union

The company was funded by the Action of the "Competitiveness" Program (NSRF 2021-2027) "Green Productive Investment in Small and Medium Business" of the "Green Transition in SMBs" Action Package.

The Action aims at the utilization and development of modern technologies by SMBs, at the upgrading of the products/services produced and their activities in general.
